Plan of Action

Before you are approached or detained by ICE do the following:

1. Contact your Attorney so that you gain the proper knowledge of the rights and benefits that you qualify for.
2. If you have children and/or assets, speak with your attorney in-order to complete a Power of Attorney.
3. Know your rights. Even as an illegal immigrant, you have rights that protect you.
4. Make sure that you put money aside in order to pay for Bonds as well as Attorney's retainer fees.
5. If you are arrested, immediately communicate the following to the Immigration officer:
 - You want a Bond assigned to your case
 - You would like a hearing in front of an Immigration Judge
 - You want to call your attorney or family as soon as possible
